

PHOTO PERMISSION

There are infrequent occasions during the year when photographs/video may be taken. This is normally only at our end of year display or for a special reason during sessions at the sports centre. Photographs/video would only be taken by an approved official photographer or by parents/friends of other gymnasts during a display. The British Gymnastics Child Protection Policy requires that any person wishing to engage in photography during an event must register their intent with the event organiser.

I **do / do not** give permission for my child _____ to be photographed/videoed during gymnastics sessions / displays.

I **do / do not** give permission for Swift Gymnastics to include session/display photos, taken by an official Swift Gymnastics photographer, of my child on Swift Gymnastics' website/publications or in press releases.
